Adolfson & Peterson Construction Welcomes Marc Timberman
as Senior Vice-President and Chief Financial Officer

(MINNEAPOLIS, Minn. – July 8, 2020) – Adolfson & Peterson Construction (AP) welcomes Senior Vice President and Chief Financial Officer, Marc Timberman. Marc joins the AP Executive Team with 22+ years of experience in financial leadership roles. He brings expertise in operational process improvement and risk management, enhancing company performance, and positioning a company for scalable growth. In previous positions he increased revenues by nearly 60% while backlog peaked at \$1.2B, improved operations by building more efficient and effective systems, and processes that enhanced the company's performance.

"AP is excited to have Marc join the Executive Team in this key role in the company," said Jeff Hansen, AP's CEO. "His extensive experience in the construction industry, proven track record in helping organizations grow, strong financial and operational experience will benefit the entire company as we continue to grow expand our business. I'm delighted to welcome Marc to the AP team and look forward to his contributions for years to come."
